

Sage 100 Contractor: Report Writer and Form Design Demystified

Custom report writing can be a daunting task in Sage 100 Contractor. This webinar will teach you how to take advantage of both Report Writer and Form Design in Sage 100 Contractor. Discover how easy it is to modify or create the report you need. And also, discover that Queries are actually easier to create than reports!

Agenda

- Understanding Form Design vs. Report Writer
- Modifying forms and working with Objects
- Multipage forms
- Queries and the wizard
- Creating a report from scratch
- Understanding Calculated Fields
- Modifying an existing report
- More complex Calculated Fields
- Custom Logos

The price of this recorded webinar is \$350. This includes 4 one-hour recordings plus a PDF of the material. For more information or a registration form, please email Leslie@ShinerGroup.com
